And whether mice and men have second tries

Maybe we've been living with our eyes half open

Maybe we're bent and broken."

2: Holiday-Green Day

To a hymn called 'Faith and Misery'

And bleed, the company lost the war today

I beg to dream and differ from the hollow lies"

3: Wonderful Life-Gwen Stefani

"I thought of you again today

Reminding me how our time has changed

If you only knew what you gave to me

Now you can't be found"

4: The City Is At War-Cobra Starship

"This little girl was alone in the world

Until she found a way to get it fixed for free

Oh, pretty please

It breaks my heart to see another tragedy"

5: Memory-Sugarcult

"We could fall apart

And I'd be your memory

Lost your sense of fear

Feelings insincere

Can I be your memory?"

6: When You Were Young-The Killers

"And sometimes you close your eyes

And see the place

Where you used to live

When you were young"

7: Cops and Robbers-The Hoosiers

Now your waging war again

Marching on the spot when you should have made amends

*'Cause you say you fight for us
Cross your heart and hope to die"*

8: Empty Apartment-Yellowcard

*"Waking up from this nightmare
How's your life?
What's it like there?
Is it all what you want it to be?"*

And if you kiss me like that
It was so long ago
But it's all coming back to me"*

*"Welcome to the fallout
Welcome to resistance
The tension is clear, the tension is here
Between who you are and who you could be"*

11: The Ghost of You-My Chemical Romance

And all the smiles that are ever gonna haunt me
(Never coming home, never coming home)
Could I? Should I?"*

Heads or tails and fairytales in my mind
Are we, we are, are we, we are the waiting unknown?"*

I let love down the drain
There's the pitch, slow and straight
All I have to do is swing

*"True, it may seem like a stretch,
But it's thoughts like this that catch my troubled head
When you're away
When I am missing you to death"*

OMGGGGG I love this book so much!!!!

I'm almost done and I am LOVING it as a new take on an old story.

Do you think they'll make it a series? They should totally!

IS IT NOT AMAZING? IT IS SO AMAZING.

And it's actually gonna be a trilogy. The second book, Seeing Redd, came out last year, and the third is due out this year. I'M SO EXCITED OMG.
