The Looking Glass Wars Frank Beddor

Alice in Wonderland is my favorite story of all time and when I heard about this book I was very eager to get my paws on it. The story goes Alyss, born in Wonderland, is destined to be a warrior queen. After a bloody coup topples the Heart regime, Alyss is exiled to another world entirely, where she is adopted into the Liddell family, renamed Alice and befriended by Lewis Carroll. At age 20 she returns to Wonderland to regain her scepter, battle Redd and lead Wonderland into its next golden age of imagination. Described as an 'Artemis Fowl' meets 'Lord of the Rings' it is certainly getting a good press and it's top of my list of what to read next. This is the first in a trilogy.

OUT 6th September.
