Seeing Redd (The Looking Glass Wars)

Seeing Redd is the second in the trilogy from Frank Beddor, author of best-selling **The Looking Glass Wars**.

The Looking Glass Wars is a dark take on Lewis Carroll's Alice's Adventures In Wonderland. That book is the story of Alyss Heart's escape from her Aunt Redd who killed her parents, the King and Queen of Wonderland.

When she jumps into the Pool of Tears, she emerges in Oxford, where she emerges from a puddle, lives on the street, and is later adopted by Reverend and Mrs. Liddell. But, back home in Wonderland, the Alyssians are trying to overthrow Redd, and, Hatter Madigan searches the world for Alyss so she can return to Wonderland to be the Queen.

In **Seeing Redd**, Alyss has just begun her rule as queen, and, trouble finds her early on, and, there's even rumor that her evil Aunt Redd has returned.

Science fiction, and, fantasy isn't usually my favorite genre, but, this was pretty cool. It's dark, and, violent, but, what an amazing imagination!

Seeing Redd is available in stores as of August 21, 2007.
